SNEAKERHEAD ACTIVE FOAM

SNEAKER CLEANING FOAM - 150 ml

CLEAN

Sneakerhead by VACO Retail is a comprehensive, modern sneaker care line. Products for cleaning, refreshing, protecting, and maintaining sneakers help keep your favorite shoes looking fresh and in great condition for longer.

Easy-to-use sneaker cleaning foam designed to quickly and effectively remove dirt from footwear surfaces. Suitable for cleaning shoes made from various materials and colors (except nubuck and suede), as well as soles and shoelaces. Its intelligent formula changes color during use, indicating when the product is fully activated. The integrated brush ensures convenient application and thorough cleaning, even in hard-to-reach areas. A practical solution for anyone looking to maintain the fresh and stylish appearance of their shoes without the need for additional accessories.

What are the benefits of the SNEAKERHEAD ACTIVE FOAM?

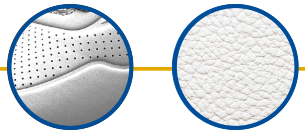

- Effectively removes everyday dirt and stains from sports and casual footwear.
- Monitor the cleaning process thanks to the color-changing foam that turns from blue to white.
- Provides convenient application and precise cleaning with the integrated brush.
- Reaches details and hard-to-clean areas with ease.
- Delivers a professional cleaning effect and refreshes the appearance of sneakers.
- Offers a complete solution for regular footwear care.

SH **1** | EAN: **5901821955881** | CAPACITY: **150 ml** | DISPLAY: **12 pcs.**

HOW TO USE

Before application, test the product on an inconspicuous area of the surface. Shake the product. Remove the protective brush cover and the clip lock. Start the pump and then apply the foam to the shoe surface. Wait until the blue foam turns white. Thoroughly clean the shoe surface with the brush to remove dirt. Wipe off any excess foam with a damp cloth. Repeat the process if necessary.
