## HOW TO USE

Remove any loose dirt from the surface of the footwear. *Hand Wash:* Add 30 ml of gel to 5 liters of water. After washing, rinse the footwear thoroughly with clean water. *Machine Wash:* Use 20 ml for soft water, 30 ml for medium-hard water, or 45 ml for hard water. Pour the gel into the main wash compartment. Wash your footwear in the SNEAKERHEAD WASH & PROTECT BAG using a delicate cycle with no spin or the lowest spin speed. Always follow the footwear manufacturer's care instructions. After washing, allow the footwear to air dry at room temperature.
Do not use on leather, suede, nubuck footwear, or on materials requiring specialist cleaning. If in doubt, test on an inconspicuous area first. Do not mix with other laundry detergents or cleaning products.
